

Pulse 5K – SUNDAY AUGUST 2 2026

WHY SPONSOR THE PULSE 5K 2026?

Move beyond the standard sponsorship:

Align your brand with a movement of health, purpose, and community impact that gets your logo in front of a passionate, captive audience.

▶ CSR

This partnership provides a powerful narrative for your CSR goals. You can tell your employees and customers that you actively supported a cause that improves our community, moving beyond words to measurable action.

Align your brand with positive emotions, achievement, health, and community spirit.

▶ Direct Employee Engagement

Corporate running, team building and off-site engagement.

▶ Boost morale & team building

Offer sponsored entries to your employees to form a corporate team. This is a unique perk that promotes health, wellness, and internal camaraderie, and creates a shared company experience that employees will remember far longer than a standard corporate event.
